

GROWER SESSION

Join the Australian Table Grape Association & the Department of Primary Industries & Regional Development (DPIRD) for a vine health grower session

Western Australian growers are invited to attend in person in Swan Valley or Carnarvon, or online, to hear about:

- WA weather station project,
- pests of concern (mealybug & chilli thrip),
- DPIRD projects,
- MRLs and new chemistry,
- spray application,
- herbicide resistance
- powdery mildew resistance

Speakers include:

ATGA

CEO Jeff Scott
Industry development team members
Alison MacGregor
Karen Connolly

DPIRD

Senior technical officer Colin Gordon
Research scientist Dr Andrew Taylor
Research scientist – horticulture, Elliott Howse

University of Western Australia

Research fellow Dr Roberto Busi

Nutrien Ag Solutions

Product development agronomist – horticulture
Scott Paton

RSVP by 10 June for catering numbers

To attend in person at either Swan Valley or Carnarvon, contact Colin Gordon on 0429 884 746 or Colin.Gordon@dpiird.wa.gov.au
