# INTERNATIONAL TRADE SEMINAR SERIES

**The Australian Table Grape Association (ATGA) invites growers and exporters to join us at an international trade seminar series across Asia this December.**

As part of the Table Grape International Marketing Program, ATGA will facilitate a series of outbound trade seminars and retail visits across Thailand, Vietnam, The Philippines and Indonesia between 6-14 December.

Each market tour will include a trade seminar with invited guests from key retailers and wholesalers, as well as a retail tour (supermarket and wet market). Importers and retailers are keen to meet with Australian table grape suppliers for the upcoming export season.

These events offer Australian table grape producers and exporters:

- unique access to a captive audience of potential buyers and contacts in key markets
- the opportunity to identify valuable new contacts and build relationships
- further enhance Australian table grapes as a provider of world-class table grapes.

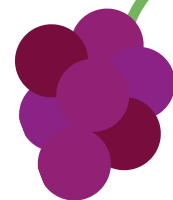

Participant numbers are limited. Expressions of interest are now open and close on Monday 20 November. Interested parties can opt in for one or multiple events and corresponding retail tours.

Please note: Producers and exporters must participate at their own cost. These events are facilitated at no cost, but participants must cover all travel, accommodation and other expenses.
